

Dear Parents and/or Guardians,

Your student is enrolled in a course that offers the opportunity to receive high school credit as well as college credit in a partnership with Oregon Institute of Technology (Oregon Tech). Within in this dual credit agreement there are few items of great importance; cost, benefit and expectations.

- Dual Credit courses through Oregon Tech are currently priced at \$100 per course or no cost to free/reduce lunch students. Dual Credit courses are steeply discounted from standard tuition and exempt from all other university fees.
- Dual Credit courses fulfill high school requirements as well as offer a jump start on college coursework. Dual Credit students have access to most Oregon Tech resources, most importantly our vast library network.
- Dual Credit courses maintain the college level rigor and outcomes as courses offered on the college campus, with this in mind it is vital that you and your student discuss existing obligations and priorities before requesting college credit.

If you and your student are interested in further pursuing Dual Credit in this course, please let your teacher know. Your student must complete the dual credit application and registration process with Oregon Tech (www.oit.edu/dual-credit-enroll). Once a student fills out the application, they will receive an email with 48 to 72 hours with their student ID# and registration instructions. Please remind your student that checking their email is vital piece of college coursework and they risk missing important information and deadlines if they do not check regularly.

Oregon Tech Dual Credit Deadlines

January 8th	Dual Credit applications due
January 15 th	Tuition payments due

Please feel free to contact the Educational Partnerships and Outreach if you have any questions. We are looking forward to working with you and your student on their academic journey.

Sincerely,

Carleen Drago Starr
