

# We're Here To Support You

## Student Transition Success Team

Collaboration in key areas to help you get settled at Oregon Tech and navigate your way to a successful academic and personal experience.

## Access and Campus Equity Services

Making learning and the working environment accessible for individuals with disabilities.

## Career Services

Resume and interview support, career counseling, internship and career fair opportunities.

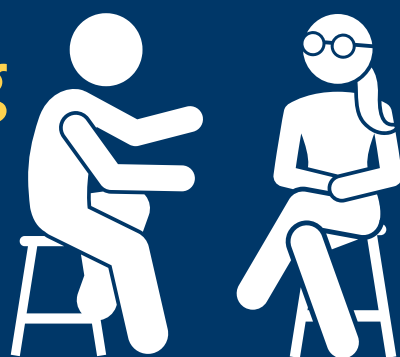

## Community Based Resources

Sometimes asking for help is the bravest move you can make. You do NOT have to go it alone.

## Mental Health Counseling

FREE to students taking 6 credits or more during a term.

## Peer Tutoring

FREE academic support for students: drop-in or make an appointment. Also join our weekly "Study Jams" to stay motivated and keep yourself accountable.
