

2021-22 Resource Budget Awards

College of Engineering, Technology & Management

Round One - November

SWE: Society of Women Engineers	\$456.56
Civil Engineering: AISC Student Steel Bridge Competition	\$4,843.00
Renewable Energy Engineering: Innovative thesis project (tree) construction completion	\$6,500.00
Electrical Engineering: Open-source test platform for wireless power transfer research	\$413.38
Renewable Energy Systems Emphasis: ENGR465 Capstone project	\$160.16
Manufacturing, Mechanical Engineering and Technology: Oregon Tech Racing – BAJA SAE	\$16,000.00
Mechanical Engineering: RoboSub	\$2,130.69
Renewable Energy Systems Emphasis: Thermal Energy Storage for a Lunar Base	\$2,725.60
Civil Engineering: ASCE Concrete Canoe	\$2,451.57
Manufacturing, Mechanical Engineering and Technology: Formula SAE	\$16,000.00
Renewable Energy Engineering: EnergyTech Competition Molten Salt Project	\$2,520.00
Renewable Energy Engineering: Hybrid Microgrid System Pond Pump with Solar and Wind	\$689.00
Technology and Management: Additive Manufacturing Senior Project	\$1,000.00

Round Two - February

Mechanical Engineering: Torsional testing station	\$1,638.00
Renewable Energy Engineering: Design and Implementation of an Adaptable Mechanical to Electric Wheelchair and Charger System	\$678.50
Electrical Engineering: Thunder Drone WDS	\$2,893.00
Renewable Energy Engineering: Circe (Solar Beehive)	\$1,656.21
Manufacturing Engineering Technology: Tool Keeper	\$10,000.00
Mechanical Engineering: ETM Ballistics UAV	\$912.31

College of Health, Arts & Sciences

Round One - November

Natural Sciences: Cyanobacteria in the Klamath Basin Region	\$1,860.00
Mathematics: Wellness Survey	\$300.00
Humanities and Social Sciences: Psychological Conference Registration & Poster Printing	\$515.00

Round Two - February

Dental Hygiene: Community Health Transitions Population	\$2,480.00
Humanities and Social Sciences: Psychology Students Presentation and Trip to WPA	\$900.00
Dental Hygiene: Community Health Gospel Mission	\$2,628.00
Dental Hygiene: International Externship Program	\$15,000.00
Dental Hygiene: BestCare Treatment Services	\$2,911.50
Medical Laboratory Science: Attendance at ASCLS Joint Spring Seminar	\$110.00

Other Departments

Student Led Makerspace: Diversification of Supplies to Increase Project Diversity and Accessibility to Students at Large	\$11,536.56
