Go to www.oit.edu/dual-credit
 Click "Students & Families"
 Select "Dual Credit Application"

Admission & Registration Process

There is a three-step process to registering for Oregon Tech dual credit. First step is to complete OT's dual credit application. Once the application is completed, students will be issued an Oregon Tech ID#, email account, and log in instructions. It is imperative that students provide valid contact information, especially a current email address. Once a student is issued an Oregon Tech email address, they will be expected to log in regularly to their Oregon Tech issued email account.

If you have already been issued an Oregon Tech ID# (918#) or have taken a dual credit class from Oregon Tech within the last 12 months, you do not need to fill out the application. You can move on to STEP #2 or #3 if you already have login credentials.

If you do not know your Oregon Tech ID#, please call 541.885.1300 or email outreach@oit.edu

#2: Login and Register for Course
