Notification Letter

Summer 2022 - [REDACTED]

Based on faculty requests, Disability Services provides a notification letter regarding a student with disabilities that is enrolled in the course noted above.

Please read carefully the information pertaining to specific accommodations for the student listed below. If requested, your prompt response will ensure that Oregon Tech is in compliance with Federal Statutes.

Important Notice: The information in this letter is strictly confidential!

[REDACTED] has supplied Disability Services with documentation that qualifies the student for the services indicated below.

The purpose of providing accommodations is to ensure that the student has an equal opportunity in the class. However, the University is not required to modify any essential requirements in the program of instruction or to provide accommodations when the request poses an undue hardship. If you have questions regarding issues of requirement or hardship, please contact Disability Services at access@oit.edu

It is the student's responsibility to contact you to discuss accommodations. Please respect the student's right to confidentiality and limit your discussion of student's disability or accommodations to private conversations with him/her. It is the student's decision whether to share specifics about their disability.

Specific accommodations the student is eligible to receive:
