

EMPLOYER LETTER OF SUPPORT FORM

Applicant's Last Name

First Name

Middle Initial

To The Employer: The above-named individual is applying for admission to the Oregon Tech - Oregon Health & Science University Medical Laboratory Science Program Online MLT-MLS Degree Completion Program. The Program is a rigorous and comprehensive course of study that requires them to continue to work and perform schoolwork simultaneously. The academic demands will be considerable. The student should have unquestioned integrity and be emotionally mature and capable of dealing with the demands of both working and going to school. Your support for the applicant is a requirement for completing the program.

The applicant will be required to perform assigned laboratory exercises/projects using resources provided by your laboratory. The applicant, once admitted, will require unpaid, off bench time estimated at 8 hours per week to complete these assignments. Your facility will also be required to have an active affiliation agreement in place with our institution during the period that this applicant is a student in your laboratory.

- I support the applicant's pursuit of academic education in the MLS Online Program.
- I attest that this student may be present at my facility, as a student, outside of work hours/duties to complete course work and requirements for the MLS Online Program.
- I understand that it is a requirement for my facility to have an affiliation agreement with the OIT/OHSU MLS Program.
- I commit to having one individual assigned to oversee the student's activities and to act as a liaison between the facility and the MLS program.
