Starting your Placement Assessment:

First, select the "Get Started" button on the left side of the screen. Then, navigate to the bottom of the page and select the "Launch LockDown Browser" button. See page 2 to follow along with screenshots!

Respondus Monitor Startup Sequence:

1. Click AGREE to the Student Terms of Use.

2. Select ALLOW, REMEMBER, and CLOSE.

3. Adjust your webcam so it is visible in the window and click YES.

4. Record a short video and review to ensure audio/video were properly recorded. If satisfied, click CONTINUE. Otherwise click TRY AGAIN.

5. Payment screen *(if applicable)*: To purchase a license, select PURCHASE with Credit/Debit/Paypal. This takes you to a PayPal login page, or you can select Pay with Debit or Credit Card.

6. Take a photo using your webcam and another while holding your approved identification card to the camera. If satisfied, click CONTINUE. Otherwise click TRY AGAIN.

7. Record a video displaying the area around your computer to show the area is secure. If satisfied, click CONTINUE. Otherwise click TRY AGAIN.

8. Read *(if applicable)* any additional instructions provided by your instructor.

9. After completing all steps, click BEGIN EXAM. As you complete the assessment within LockDown Browser, Monitor records your webcam activity. You will see a Recording indicator in the top-right corner when Respondus Monitor is recording you. Once you complete the assessment, you can exit LockDown Browser to return to your session in your default internet browser.

Before Getting Started

1. Do you have the proper device?
- Windows running 10, 8, or 7
- Mac running OS X 10.10+
- iPad App running iOS 9+
  Note: Chromebooks are not compatible.

2. Have you downloaded the LockDown browser?
https://www.aleks.com/support/lockdown_system_requirements

3. Have you confirmed that LockDown browser was installed successfully?
https://www.aleks.com/support/lockdown_test
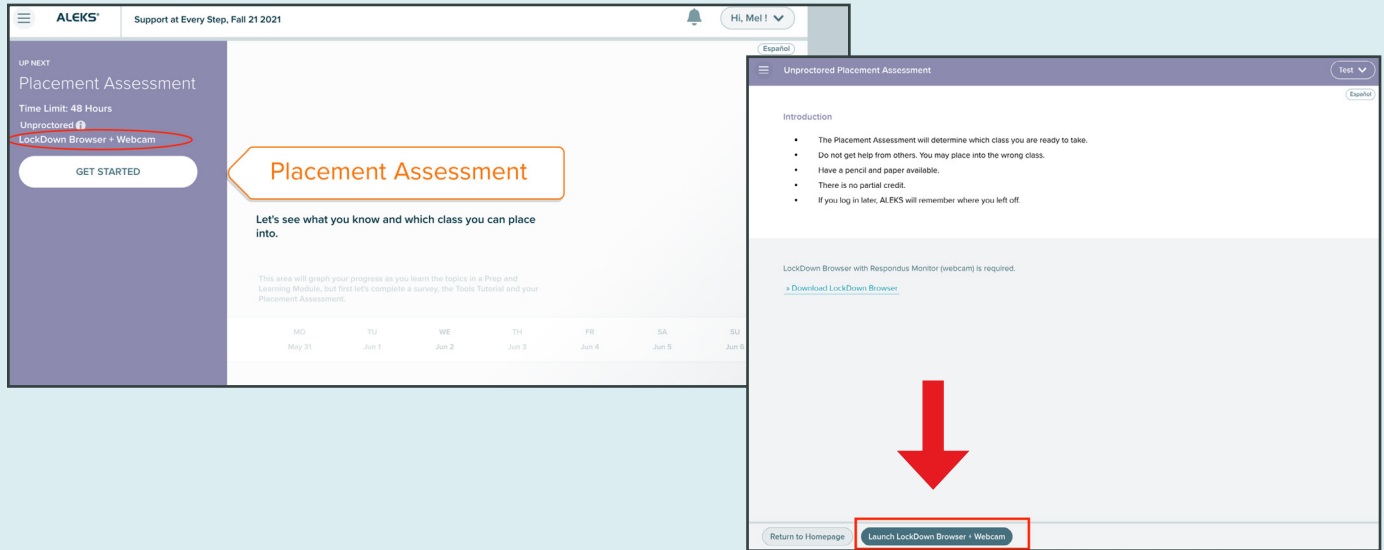

Technical Difficulties?

If you have confirmed all of the above steps, and are still having issues, it could be that your internet service is having trouble. Try plugging directly into your modem or seek out an alternative internet source.
