

Tuition Differentials Academic Year 2024-25

Majors without Differential Tuition	
Accounting - Post Baccalaureate Cert/BS	Environmental Sciences Option - Recreation - BS
Applied Behavioral Analysis - Graduate Cert./MS	Environmental Sciences Option - Water - BS
Applied Mathematics - BS	Environmental Sciences Option - Wildlife - BS
Applied Mathematics Option in Com Mat - BS	Ethics - Cert
Applied Mathematics Option in Physics - BS	Health Care Mgmt - Administration Mgmt - BS
Applied Mathematics Option in Stats - BS	Health Care Mgmt - Clinical Management - BS
Applied Psychology - BS	Health Informatics - BS
Biology-Health Sciences - BS	Information Technology - BS
Biology-Health Sciences Research Option - BS	Marriage and Family Therapy - MS
Biomedical Sciences - MS	Medical Family Therapy - Cert
Biomedical Sciences, Thesis - MS	Natural Resources - MS
Business, Management Option - BS	Operations Management - BS
Business, Marketing Option - BS	Population Health Management - BS
Communication Studies - BS	Professional Writing - BS
Cybersecurity - BS	Specialization in Entrepreneur/Small Bus - SPEC
Data Science - BS	Specialization in Marketing - SPEC
Dispute Resolution - Cert	Technology and Management - BAS
Emergency Medical Services Management - BS	Pre-Nursing, Pre-Paramedic Education, General Studies, and Pre-Medical Lab Sciences-majors that do not result in a degree.
Environmental Sciences Option - Business - BS	
Environmental Sciences Option - Chemistry - BS	
Environmental Sciences Option - Policy - BS	
Health Profession Majors with Differential Tuition	
Dental Hygiene - BS	Physical Therapy - DPT*
Dental Hygiene - Chemeketa - BS*	Picture Archiving/Communications System - Cert
Diagnostic Medical Sonography - BS	Radiological Science - BS
Echocardiography - BS	Respiratory Care - BS
Emergency Medical Technology Paramedic - AAS*	Vascular Technology - BS
Magnetic Resonance Imaging (MRI) - Cert	Pre-MIT, Pre-Dental Hygiene, and Pre-Respiratory Care-majors that do not result in a degree.
Medical Lab Sciences - BS*	
Nuclear Medicine Technology - BS	<i>*Program specific differential tuition rates.</i>
Engineering & Technology Majors with Differential Tuition	
Civil Engineering - BS/MS	Mech Eng/MFG Eng Tech - BS
Civil Engineering/Environmental Sciences - BS	Mechanical Engineering Tech - BS*
Computer Engineering Technology - BS	Mech Eng Tech/MFG Eng Tech - BS
Computer/Software Engineering Technology - BS	Power Systems Engineering - Cert
Electrical Engineering - BS	Renewable Energy Engineering - BS/MS
Electrical/Renewable Energy Engineering - BS	Renewable Energy/Electrical Engineering - BS
Electronics Engineering Technology - BS	Renewable Energy/Environmental Science - BS

Embedded Systems Engineering Technology - BS	Software Engineering Technology - BS
Embedded Systems/Software Engineering Technology - BS	Software Engineering/Applied Math - BS
Embedded Systems Technology/Math - BS	Systems Engineering - Graduate Cert
Engineering - MS	“Optical Engineering”, “Automat, Robot, & Cntrl Engr” and “System Engr & Technical Mgmt” can be added to any existing engineering degree but are not stand-alone degrees.
Geomatics-Geographic Information System (GIS) Option - BS	
Geomatics-Surveying Option - BS	
Manufacturing Engineering Technology - BS/MS*	
Mechanical Engineering - BS*	<i>*Boeing location programs have a different differential rate.</i>
