## An increased budget does not always result in an increased award amount.

Under certain circumstances the Financial Aid staff may be able to adjust your budget or award amounts. If you feel that you have extenuating circumstances and your current financial aid award will not adequately cover your educational expenses, please complete this form, attach relevant documentation and return to the Financial Aid office.

Budget may be increased for additional rent, computer expenses, childcare, senior projects, or other miscellaneous expenses that are educationally related. All requests must be resubmitted each academic year to ensure their accurate completion.
