

Oregon Institute of Technology

College of Engineering, Technology, and Management (ETM)

ETM Dean's Leadership Council

The ETM Dean's Leadership Council serves to elevate the College's visibility and impact by expanding industry partnerships, strengthening community connections, and creating enriched opportunities for students and faculty. The Council also plays a vital role in securing philanthropic and in-kind support for scholarships, endowed faculty positions, and priority laboratory enhancements that advance the College's long-term strategic goals.
