

Enrolling to Receive AIM Notifications via Text Message (SMS)

Step #1 – Log Into AIM via TechWeb

Log into TechWeb and select the “Accommodations (Students)” tile

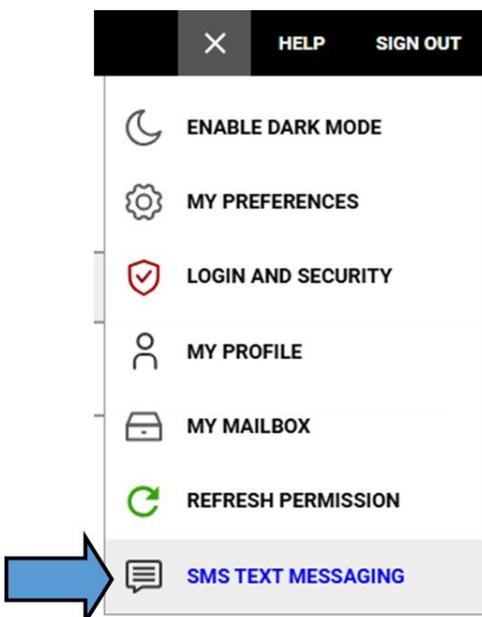

Step #2 – Navigate to Your Profile Settings Menu

In the top right corner, you’ll see the **Your Profile** settings menu:

Step #3 – Select “SMS Text Messaging”

Select the “**SMS Text Messaging**” preference from the menu

Step #4 – Provide Information & Update Your Preferences

Change the “**SMS Text Messaging Permitted**” option to “Yes”, and then provide your phone number, and select what notifications you would like to receive via text message. Once done, then click “**Update Preferences**” button at the bottom.

individual carrier and

Account (person icon) in menu, and under **Cell Messaging** to “No”.
