

2025-2026 Academic Year Majors by Tuition Category

Base Tuition Rate Majors (No Differential)	
Accounting - Post Baccalaureate Cert/BS	Health Care Mgmt - Clinical Mgmt - BS
Allied Health - BS	Health Informatics - BS
Applied Behavioral Analysis - Graduate Cert./MS	Information Technology – BS*
Applied Mathematics - BS	Marriage and Family Therapy - MS
Applied Psychology - BS	Medical Family Therapy - Cert
Biology-Health Sciences - BS	Natural Resources - MS
Biomedical Sciences - MS	Operations Management - BS
Business Accounting Option - BS	Population Health Management - BS
Business, Management Option - BS	Professional Writing - BS
Business, Marketing Option - BS	Specialization in Entrepreneur/Small Bus - SPEC
Communication Studies - BS	Specialization in Accounting - SPEC
Construction Management - BS	Specialization in Marketing - SPEC
Cybersecurity – BS*	Technology and Management - BAS
Data Science - BS	UX Research & Design - Cert
Dispute Resolution - Cert	Pre-Nursing, Pre-EMT Paramedic, General Studies, & Pre-Medical Lab Sciences-majors that do not result in a degree.
Dual Data Science/Software - BS	
Emergency Medical Services Management - BS	
Environmental Sciences - BS	<i>*Students admitted Fall 2026 and later, in Cybersecurity and Information Technology will be charged differential tuition as these majors are now in the Applied Computing & Geomatics department.</i>
Ethics - Cert	
Health Care Mgmt - Administration Mgmt - BS	
Health Differential Tuition Rate Majors	
Dental Hygiene - BS	Physical Therapy - DPT*
Dental Hygiene - Chemeketa - BS*	Picture Archiving/Communications System - Cert
Diagnostic Medical Sonography - BS	Radiological Science - BS
Echocardiography - BS	Respiratory Care - BS
Emergency Medical Technology Paramedic - AAS*	Vascular Technology - BS
Magnetic Resonance Imaging (MRI) - Cert	Pre-MIT, Pre-Dental Hygiene, & Pre-Respiratory Care-majors that do not result in a degree.
Medical Lab Sciences - BS*	
Nuclear Medicine Molecular Imaging - BS	<i>*Program specific differential tuition rates.</i>
Engineering & Technology Differential Tuition Rate Majors	
Civil Engineering - BS/MS	Engineering - MS
Computer Engineering Technology - BS	Geomatics-Geographic Information Sys (GIS) Option - BS
Dual Civil Engineering/Environmental Sciences - BS	Geomatics-Surveying Option - BS
Dual Computer/Software Engineering Tech - BS	Manufacturing Engineering Technology - BS/MS*
Dual Electrical/Renewable Energy Engineering - BS	Mechanical Engineering - BS*
Dual Embedded Sys/Software Engineering Tech - BS	Mechanical Engineering Tech - BS*
Dual Embedded Sys Engr Tech/Applied Math - BS	Power Systems Engineering - Cert
Dual Mechanical Engr/Manufacturing Engr Tech - BS	Renewable Energy Engineering - BS/MS
Dual Mech Engr Tech/Manufacturing Engr Tech - BS	Software Engineering Technology - BS

Dual Renewable Energy/Electrical Engineering - BS	Systems Engineering - Graduate Cert
Dual Renewable Energy/Environmental Sciences - BS	“Optical Engineering”, “Automat, Robot, & Cntrl Engr” and “System Engr & Technical Mgmt” can be added to any existing engineering degree but are not stand-alone degrees. <i>*Boeing location programs have a different differential rate.</i>
Dual Software Engineering Tech/Applied Math - BS	
Electrical Engineering - BS	
Electronics Engineering Technology - BS	
Embedded Systems Engineering Technology – BS
