Arts, Literature, and Philosophy (ALPs)

HUMANITIES MINOR

Oregon TECH
Oregon Institute of Technology

What is ALPs?

Do you want to take more of those fun Humanities classes? With the ALPs minor you can explore the subjects you love while also completing your degree!

Having the ALPs minor on your diploma will highlight your dedication to the Humanities.

ALPs Oregon TECH
Engaging Students, Enhancing Careers, Enriching Lives.

Humanize Yourself!

The world needs **thinkers** not just workers, **art** not just technology, **stories** not just formulas, and **wisdom** not just knowledge.

The ALPs minor will enhance your Oregon Tech experience and prepare you to be a highly valued professional *and* citizen, by helping you master the "soft skills" that are necessary for success in the workplace *and* in our global society.

LinkedIn's Global Talent Trends Report, a survey of thousands of people across 35 countries, proclaims that "92% of talent professionals and hiring managers agree that candidates with strong soft skills are increasingly important."*

As an ALPs student, you plan your own 18-credit route to the minor's "summit" of your choice, depending on your interests.

Curriculum

18 credits are required to complete the ALPs minor. The credits can be earned by taking any courses with the following prefixes:

ART, HUM, LIT, MUS, or PHIL.

At least 12 of these credits must be earned from courses that are upper division (i.e. 300 level or higher).

Careers

An ALPs minor can give you an advantage in career areas such as:

- **Engineering**
- **Health Care**
- **Business**
- **Management**
- *And many more!*

Soft Skills

Soft skills are non-technical skills that enable students to interact effectively and harmoniously with others, adapt to changing environments, and navigate professional and social situations. These include critical and creative thinking, communication, ethical reasoning, teamwork, problem-solving, adaptability, leadership, and intercultural fluency.
