

PRESIDENT'S OFFICE
Standing Committees, Commissions, and Councils (2015-16)

Oregon Tech President's Communication Council

The President's Council has primary responsibilities: 1) to identify and seek solutions to problems crossing college jurisdictions; 2) to maximize the planning efforts of the institution; and 3) to enhance the communication processes within the institution.

The Council is comprised of the chief officers of the institution: the Provost, the Vice Presidents for Student Affairs, Finance & Administration, the Vice President for Wilsonville, the Associate Vice President's for Strategic Partnerships, Information Technology Services and Chief Information Officer, and Communication and Public Affairs, the Deans of the College of ETM, and HAS, Director of Human Resource, Faculty Senate and ASOIT Presidents, and the Chair of the Administrative Council. The Council is chaired by the Provost.

Michelle Meyer, Interim Vice President for Finance and Administration
Erin Foley, Vice President for Student Affairs and Dean of Students
Laura McKinney, Vice President for Wilsonville
Lita Colligan, Associate Vice President for Strategic Partnerships
Di Saunders, Associate Vice President for Communication and Public Affairs
Tracy Ricketts, Associate Vice President for Development and Alumni Relations
Paul Rowan, Associate Vice President and Chief Information Officer
Sandra Fox, University Board Secretary, Board of Trustees
Hallie Neupert, Dean, College of Engineering, Technology, and Management
LeAnn Maupin, Dean, College of Health, Arts and Sciences
Ron McCutcheon, Director, Human Resources
Robyn Cole, President, Faculty Senate
Bill Goloski, Chair, Administrative Council
Kristen Marsters, President, Associated Students of Oregon Institute of Technology (ASOIT)

Equity Committee

The Equity Committee will identify opportunities for Oregon Tech's faculty, staff and students to build a supportive educational environment for all students including first generation, low-income, minority and underserved students at Oregon Tech. To serve students equitably, we will focus on attracting and retaining underserved students so that they will no longer be underserved.

The committee will assess Oregon Tech's strengths and weaknesses in serving underrepresented students, and develop recommendations for the Executive Staff and the President that will result in greater student diversity and educational opportunity. The recommended strategies will focus on how Oregon Tech can help the university meet its Achievement Compact and the state's 40-40-20 goals. The chair is appointed by the President.

Fiscal Operations Advisory Council

The Fiscal Operations Advisory Council is a faculty/administrative council for the purpose of advising the President on budget and financial matters. The Council will recommend fiscal management priorities to align with strategic goals of Oregon Tech. It will review the institution's annual budget and advise the President on the development of new budget initiatives and allocations. The Council will function as an integral group in strategic planning activities.

Members of the Council include the Provost, the Vice President for Wilsonville, the Vice Presidents for Finance & Administration, and Student Affairs, a member of the Faculty Senate Executive Committee, a member of Academic Council, a representative of the Administrative Council, a representative of the Budget and Resource Planning, the ASOIT President and designee, and four senior faculty members appointed jointly by the President and the Faculty Senate President. The chair is appointed by the President.

Marketing Communications Committee

The Marketing Communications Committee is advisory to the Associate Vice President and is responsible for developing, reviewing and implementing marketing and external communication plans; and organizing and administering institution-wide marketing activities. The Marketing Communications Committee will facilitate a collaborative process to set a strategic university-wide marketing agenda, including integrating the messaging/branding, advertising, outreach materials, media relations, website, electronic media, academic and departmental strategic outreach plans, and other activities.

The Marketing Communications Committee's charge is to develop a plan that reflects priorities and strategies in multiple departments, and more clearly defines responsibilities for implementing the plan. Committee members will be responsible for communicating with their constituents and getting information from them to the Committee for discussion and prioritization. The Committee will develop tools to share information with the campus community about the marketing efforts and facilitate engagement of the campus community to extend communication with external partners and supporters.

Members will be broadly representative of faculty, staff and students.

Committee members will have shared responsibility for implementation of various strategies, once they are prioritized, based on job responsibilities and roles on the committee.

Student Awards Commission

The Student Awards Commission determines the criteria for each student award and the nomination process. The Commission considers any new student awards (and the criteria) and whether it will be awarded annually. The Commission reviews all applications and selects the recipient for each award. The Outstanding Scholar for each major is solicited from the faculty and eligibility is verified by the Commission. The Commission recommends the top students from each school (from the Outstanding Scholar nominees) to the Oregon Tech President to receive the President's Cup.

The Klamath Falls Commission is comprised of nine faculty members, the Director of Campus Life, and the Vice President for Student Affairs (Chair). The Wilsonville Commission is comprised of three faculty members, the Director of Student Services, and the Vice President for Student Affairs (Chair).

Sustainability Committee

The mission of the Sustainability Committee is to serve as the coordinating body for the university's activities relating to sustainability. The committee will address ways to imbue the theme of sustainability throughout Oregon Tech and to promote sustainability in the community, region, and

state. General areas of activities will include: 1) overall administrative functions, 2) student life, 3) facilities management and operations at all Oregon Tech campus sites, 4) curricula and other learning opportunities, and 5) Oregon Tech involvement with the larger community.

The committee consists of faculty and administrative staff with expressed interest and commitment to sustainability. The sustainability committee will operate through two parallel branches, one on each campus, in order to attend to the specific needs of Klamath Falls and Wilsonville in a coordinated manner. Other members are student representatives, one of them being the ASOIT representative. The Director of Facilities Services, the Director of the Oregon Renewable Energy Center, the Provost and other members of executive staff will serve as ex-officio members. A community member will also be identified in each location as appropriate. The President will appoint the chairs of each committee branch, as well as other members from departments that play a key role in sustainability in Oregon Tech

Tuition Recommendation Committee

This committee will provide advice and comment about proposed resident undergraduate tuition rates for the upcoming academic year. This committee includes representatives of student government, two faculty, and two senior administrators. The president of the student government shall appoint undergraduate student members. The president of the university shall appoint all other members, consistent with the shared governance requirements of the university, and shall designate one member to chair the committee.

The committee will meet at least twice during November – February. Its meetings shall be open to the public and broad notification of the meetings shall be made to the university community. The committee will consider the guidelines provided by the Board, the information provided by the president, and proposal advanced by the president, and such other matters as shall seem appropriate.

**ACADEMIC AFFAIRS
Standing Committees, Commissions, and Councils (2015-16)**

PREAMBLE

Education requires the oversight and management of a multitude of tasks and assignments. Shared governance at an educational institution offers the opportunity for faculty and staff to assist administrators with those tasks by providing input, recommending outcomes, and participating in operational decisions. In addition to committees appointed directly by the Faculty Senate and ad hoc committees created for special purposes, the Oregon Institute of Technology recognizes a number of standing committees, commissions, and councils that provide continuous support for academic leadership. These committees report to the Vice President for Academic Affairs (Provost). The membership of these committees are reviewed and selected by the Provost and the President of the Faculty Senate. Although the current Faculty Constitution refers to the President of the Faculty (President of Oregon Tech) in place of the Provost, amendments to the Constitution will be considered to align that document with current practice.

Two types of appointment are recognized: 1) position on a committee because of job title or position (e.g., Department Chair on Academic Council); and 2) a member selected for a rotating term. In most cases, terms are intended for three-year intervals. Members may be reappointed for an additional three-year term (six years total), but it is the intention of this process to encourage broad participation and to allow faculty and staff to bring fresh perspectives and skills to their committee assignments. This is deemed especially critical for high profile assignments that impact promotion and tenure decisions. Members can be reappointed after a term off of the committee.

Individuals can request consideration for membership on a particular committee at any time by petitioning the Provost or President of the Faculty Senate. The Office of the Provost will affirm membership and notify appointees for the succeeding academic year before the end of the spring term, allowing faculty and staff to know their respective assignments before returning in the fall. Appointed members have staggered terms so that some membership continuity is present.

The academic community recognizes the importance of committee assignments and the role it plays in shared governance. However, committees that are unwieldy in size often have difficulty in meeting or reaching a quorum. Members who are regularly absent can be removed from a committee at the request of the committee Chair to the Provost. Likewise, a Chair who is deemed inefficient and unable to organize committee business can be removed at the request of committee members to the Provost. Assignment to a committee should be regarded as an obligation.

Academic Council

Academic Council serves as an advisory body for Academic Affairs, reporting to the Provost. Unlike Provost's Council, the Academic Council is restricted to the Provost, Associate Provost, College Deans, Academic Department Chairs, and the Vice President of the Faculty Senate. The Academic Council discusses and reviews matters on academic programs and departments in a less formal structure than Provost's Council. Membership is specified by academic position. The Provost chairs the Council.

Academic Progress and Petitions Committee (AP&P)

The Academic Progress and Petitions Committee (AP&P) reports to the Provost. The responsibilities of the APP are: 1) to review grades and academic records of students placed on probation or academic suspension, to determine the status of these students for the following term, and receive and act upon student appeals concerning academic suspension; 2) to review student requests for special academic consideration; and 3) to act as an advisory group to the Registrar on academic irregularities.

The Klamath Falls Committee is comprised of 6 faculty members, the Registrar, Vice President for Student Affairs, Business Affairs Representative, Director of Financial Aid, Director of Admissions, Director of Student Success Center, Director of Housing, TOP Coordinator, and the Chair of the Financial Aid Committee. Faculty members serve three year terms.

The Wilsonville Committee is comprised of the Assistant Registrar, Vice President of Student Affairs, Wilsonville Business Office/Human Resource Coordinator, Director of Student Services, and 3 faculty members. Faculty serve three year terms.

Advising Coordinator Commission (ACC)

The Advising Coordinator Commission reports to the Provost. The ACC meets annually with advising coordinators at convocation and as needed throughout the academic year. Responsibilities include: 1) coordinate activities to provide training for new advisors and provide refresher training as needed; 2) assess academic advising, analyze assessment results, and make recommendations to appropriate academic and student affairs leadership; 3) address advising issues as they occur.

The Commission is comprised of five academic departmental advising coordinators on a rotating membership for a three-year term. Advising coordinators are selected by their respective departments.

Commission on Assessment

The Commission on Assessment reports to the Provost. The Commission is responsible for developing, reviewing, and implementing an institutional assessment plan. The Commission also recommends and oversees program assessment.

The Commission consists of program assessment coordinators designated by each academic department. The department determines terms of service for assessment coordinators. An Executive Committee oversees the Commission and is comprised of the Chair of the Assessment Commission, the Director of Institutional Research, the Director of Assessment, and at least one faculty member from each College and one faculty member from a non-Klamath Falls campus. The Provost appoints a faculty member to serve as the Chair of the Commission for a three-year term and may be reappointed. In practice, the Provost appoints additional faculty members to the Executive Committee upon the recommendation of the Chair and Director. Faculty members on the Executive Committee also serve three-year terms and may be reappointed.

Essential Student Learning Outcomes (ESLO) Committees

The six Essential Student learning Outcomes Committees coordinate with the General Education Advisory Council, the Assessment Commission Executive Committee, and the Commission on College Teaching. Each committee reports to the Director of Academic Excellence. The ESLO committees establish and maintain the criteria to satisfy Oregon Tech's Essential Student Learning Outcomes, review assessment results, and recommend professional development to support the Essential Studies program.

Each ESLO committee has a representative from the General Education Advisory Council, the Assessment Commission Executive Committee, the Commission on College Teaching, and other content area experts. The Director of Academic Excellence appoints a faculty member to serve as chair. Committee members serve three-year terms and may be reappointed.

Institutional Review Board for Use of Human and Animal Subjects in Research (IRB)

The IRB is a federally mandated body established under the US Department of Health and Human Services (DHHS) regulations for the protection of human subjects (45 CFR 46). Its purpose is to protect the rights and welfare of individuals recruited to participate in research activities conducted under the auspices of the Oregon Institute of Technology. The IRB is responsible for ensuring compliance with the federal regulations set forth in 45 CFR 46 (Protection of Human Subjects). The IRB is charged with the review and approval of all research involving human subjects conducted by faculty, staff, and students, on- and off-campus, regardless of funding source prior to initiation of the research. The IRB must also review and approve any changes to an approved research project before implementation. Additionally, the IRB is tasked with monitoring ongoing research for adherence to Federal regulations and institutional policies and procedures. The IRB reports for the Vice President for Research (VPR) and follows a membership composition to comply with 45 CFR 46.107 (IRB Membership). The VPR, Provost and Deans jointly appoint the IRB members for a term of 5 years. The IRB is registered with the US Office of Human Research Protections (OHRP). Changes to the IRB composition must be reported to the US DHHS. The VPR is responsible for submitting, updating, and renewing the Federalwide Assurances (FWAs).

International Committee

The International Committee is an advisory body and reports to the Provost. The Committee: 1) assists in developing goals and objectives for international student and faculty programs; 2) considers issues related to the admission of international students, including TOEFL requirements, scholarships, and immigration; 3) ensures hospitality mechanisms are in place, including host family programs for students; 4) works with the International Students Club (ASOIT) to assist with appropriate activities; 5) considers and reviews opportunities for faculty exchanges; 6) reviews and makes recommendations regarding student exchange programs; and 7) maintains an inventory of international activities and areas of expertise within Oregon Tech.

The Committee is comprised of the Registrar or designee, the Director of Academic Agreements or designee, the Director of Admissions or designee, the Director of Campus Life, five faculty members, and one student. Faculty members should have an active interest in international activities and one should represent a non-Klamath Falls campus. The Provost appoints a faculty member as Chair; the Provost and Faculty Senate President appoint the faculty for three-year terms.

Library Resources Commission (formerly included in Learning Resources Commission)

The Library Resources Commission reports to the Provost. The responsibilities of the Commission include: 1) recommend the funds required for establishing desirable acquisition levels and a discerning allocation of budgeted funds to support the need for books, periodicals, and other educational materials; and 2) develop, implement, and revise policies that govern the use of library resources within and outside the library proper.

The Commission is comprised of seven members: the Director of the Library, the Dean of the College of ETM, the Dean of the College of HAS, a representative from Information Technology Services (ITS), a representative from the Department of Online Learning (OL), the librarian from the Wilsonville campus, and one student. The Director of the Library serves as chair of the Commission. The Commission will meet at least once each quarter during the academic year. The College Deans will be responsible for assessing material needs for new or expanding programs. Programmatic liaisons (departmental faculty) will provide continuous input to librarian counterparts about ongoing needs.

Online Learning and Advisory Council (OLAC)

The Online Learning and Advisory Council (OLAC) reports to the Provost. The responsibilities of OLAC are to: 1) provide advice and consultation to the Director of Online Learning; 2) make recommendations to the Provost on online learning policies and guidelines; and 3) assist in resolving distance education problems, issues, and concerns.

OLAC is comprised of the Director of Oregon Tech Online, the Faculty Support Service Manager, the Faculty Support Service Coordinator, a Student Support Service representative, and eight faculty members. At least three faculty members are selected from each College and at least one faculty member from a non-Klamath Falls campus. Faculty members serve three-year terms and represent departments involved in online learning. Faculty members are appointed jointly by the Provost and the President of the Faculty Senate.

Promotion Advisory Committee (PAC)

The Promotion Advisory Committee (PAC) reports to the Provost. Promotion policies for teaching faculty and librarians are covered by Oregon Tech policies 20-040 and 20-041, respectively. PAC reviews nominations from College Promotion Committees and from the library for faculty promotions and makes recommendations to the Provost. The Provost makes final promotion decisions.

Membership consists of seven teaching faculty at the full professor rank, jointly appointed by the Provost (three members) and the President of the Faculty Senate (four members), and an Affirmative Action Officer who serves ex-officio non-voting. At least three faculty members from each College will be appointed. The Provost appoints a Chair from among the faculty who has served on PAC for at least two years. The Chair may be reappointed at the discretion of the Provost. The intention of appointment to PAC is for faculty members to represent the entire institution, not to represent their respective departments, disciplines, or colleges.

Resource Budget Commission (RBC)

The Resource Budget Commission (RBC) reports to the Provost. The RBC was established to meet unique needs within academic and non-academic departments at Oregon Tech. The Commission: 1) considers budget proposals and provides for overlooked needs at the Institute, and 2) allocates the resource budget every year.

The Vice President for Student Affairs chairs the RBC. The Chair does not vote on proposals unless there is a tie. The RBC is comprised of the Vice President for Finance and Administration, the two College Deans, the Associate Vice President for Information Technology Services and Chief Information Officer, and six students representing ASOIT, as follows:

Erin Foley, Chair, Vice President for Student Affairs and Dean of Students
Michelle Meyer, Interim Vice President for Finance and Administration

FINANCE AND ADMINISTRATION

Standing Committees, Commissions, and Councils (2015-16)

PREAMBLE

Education requires the oversight and management of a multitude of tasks and assignments. Shared governance at an educational institution offers the opportunity for faculty and staff to assist administrators with those tasks by providing input, recommending outcomes, and participating in operational decisions. Oregon Institute of Technology recognizes a number of standing committees, commissions, and councils that provide continuous support for the institution. Seven of these committees report to the Vice President for Finance and Administration. The membership of these committees are reviewed and approved by the Vice President of Finance and Administration and the President of the Faculty Senate.

Two types of appointment are recognized: 1) position on a committee because of job title or position (e.g., director of Human Resources; and 2) a member selected for a rotating term. In most cases, terms are intended for three-year intervals. Members may be reappointed for an additional three-year term (six years total), but it is the intention of this process to encourage broad participation and to allow faculty and staff to bring fresh perspectives and skills to their committee assignments. This is deemed especially critical for high profile assignments that impact promotion and tenure decisions. Members can be reappointed after a term off of the committee.

Administrators can request consideration for membership by petitioning the Vice President of Finance and Administration. The Office of the President will affirm membership and notify appointees for the succeeding academic year before the end of the spring term, allowing faculty and staff to know their respective assignments in the fall. Appointed members have staggered terms so that some membership continuity is present.

The university community recognizes the importance of committee assignments and the role it plays in shared governance. However, committees that are unwieldy in size often have difficulty in meeting or reaching a quorum. Members who are regularly absent can be removed from a committee at the request of the committee Chair to the Vice President Finance and Administration. Likewise, a Chair who is deemed inefficient and unable to organize committee business can be removed at the request of committee members to the Vice President of Finance and Administration. Assignment to a committee should be regarded as an obligation.

Administrative Compensation Committee

The responsibilities of the Administrative Compensation Committee are to maintain a continuum and monitor the administration of the policy and procedures concerning administrative compensation.

The committee is composed of the Director of Human Resources (ex-officio) and eight members of the administrative staff. The chair is appointed by the Vice President for Finance and Administration. This Committee reports directly to the Vice President of Finance and Administration.

Ron McCutcheon, Chair, Director of Human Resources (non-voting ex-officio)
(2017) - Tracie Houtz, Associate Director of Human Resources
(2017) - Michelle Meyer, Director of Business Affairs

Affirmative Action Commission

The Affirmative Action Commission responsibilities include: 1) recommending policies; 2) reviewing and recommending changes to the Oregon Tech Affirmative Action plan; and 3) serving as a line of communication between the President, Affirmative Action Officer, and the various campus constituencies. Members of the Commission are required to serve and participate as Affirmative Action representatives on position search committees.

The Commission consists of the Director of Human Resources/Affirmative Action Officer, the Director of Admissions, the Director of Campus Life, a representative of Student Affairs, four faculty, two or three administrative/classified staff, and one student. The Commission is chaired by the Affirmative Action Officer. This Commission reports directly to the Vice President of Finance and Administration.

Radiation Safety Committee

The responsibility of the Radiation Safety Committee is to ensure that all users of radioisotopes on the Oregon Tech Klamath Falls campus establish and follow safe procedures when using radioisotopes. To meet these objectives, the Committee: 1) reviews all applications for new uses of radioisotopes on campus; 2) reviews all proposed safety procedures; and 3) recommends remedial action should approved safety procedures not be followed.

The Radiation Safety Committee consists of a Risk Management representative, the Radiation Safety Officer, two administrative staff and five faculty staff. Meetings may be called by the chair or by any two committee members. The chair is appointed by the Vice President of Finance and Administration. This Committee reports directly to the Vice President of Finance and Administration.

Traffic Commission

The responsibilities of the Traffic Commission are: 1) to establish equitable rules and regulations relative to traffic control on campus; 2) to distribute regulations governing traffic control on campus; 3) to establish means for enforcement and hear appeals of violations of traffic regulations; 4) to recommend means of improving traffic control and safe driving on campus; 5) to recommend maintenance and construction projects related to parking; and 6) to recommend to the Vice President for Finance and Administration parking fees and fines sufficient to support parking operations.

The Traffic Commission will designate members of its standing commission to act as Traffic Appeals Board members. Members are required to participate at least once on the Appeals Board during their Traffic Commission tenure. This Board renders decisions on the appealed citations based on State of Oregon statutes and the Oregon Tech vehicle regulations. The Board consists of one Oregon Tech faculty, one Oregon Tech staff member and one Oregon Tech student from the ASOIT officers.

The Vehicle Accident Review Committee is a sub-committee of the Traffic Commission. It is charged with reviewing all accidents involving state vehicles owned by Oregon Tech or driven by its employees. A determination is made as to the cause of each accident, whether it could have been avoided, and whether any further action should be taken. The Vehicle Accident Review Committee, when convened by the Director of Campus Safety, will be composed of selected members of the Traffic Commission and anyone else necessary to complete the investigation.

The Commission is comprised of three faculty, three administrative/classified staff, four students (one from Wilsonville), the Directors of Business Affairs or designee, Campus Safety and Facilities Services. The director of Campus Safety will serve as the chair. This Commission reports directly to the Vice President of Finance and Administration.

Retention Committee

Student retention is becoming more and more critical (e.g., increased retention results in more revenue; retention and graduation rates are metrics used by the state). The Oregon Tech Retention committee is charged with increasing retention of students. Specifically, the Retention Committee should review current retention efforts for effectiveness and review/recommend new initiatives for implementation. Retention of first-time freshmen and transfer students are two groups to track retention from the first year to second year, with consideration of other subgroups of students for which to target specific initiatives.

The committee members include the following positions: Coordinator of Retention (Chair), Director of Student Success Center, Director of Student Services in Wilsonville, Director of Institutional Research Director of Assessment, and the University Registrar. Other members include 1-2 additional Wilsonville representative(s), one classified staff representative, one unclassified staff representative, and 3-4 faculty members (at least one from each college). The Retention Committee reports to the Vice President for Student Affairs.

Safety Commission

The purpose of the Safety Commission is to bring “workers” and “management” together in a non-adversarial, cooperative effort to promote safety and health in each workplace. An effective safety commission assists the employer and helps identify recommendations for change. The goal is to reduce or eliminate on-the-job accidents by use of every reasonable precaution.

The Commission is mandated under OSHA rules to meet on a monthly basis. The Commission exists to receive and manage university wide safety suggestions, reports of safety hazards, and workplace safety concerns. The Commission recommends safety policy and safety procedural improvements to the President of Oregon Tech through the Vice President for Finance & Administration. The Vice President for Finance & Administration is an ex-officio, non-voting member of the Commission, who may attend meetings to facilitate receipt of safety recommendations. The Commission will conduct quarterly inspections of Klamath Falls, Wilsonville and extension campuses to review and document safety progress campus-wide.

The Commission is comprised of the Vice President for Student Affairs or a designee, the Directors of Risk Management, Facilities Services, Safety, and College Union or designee. Academic members will include one faculty member from each of the two colleges and an ASOIT student representative from each campus. Other members include one or more representatives from each of the following areas: trades, food services, custodial, support services staff, health services, environmental health and safety, security, Klamath Falls and Wilsonville instrument tech, and computing services. The chair is elected by the Commission members at their first official fall quarter meeting. This Commission reports directly to the Vice President of Finance and Administration.
