(Please Print)  This is to clarify that I have no interest with a person, firm, corporation or other business entity that is competing for the above contract with the Oregon Institute of Technology (Oregon Tech). I have not participated, directly or indirectly, by committee or as a consultant, advisor, employee, officer, director, agent, trustee, or otherwise, in the development of a proposal for any business entity that is competing for the above contract. For purposes of this declaration, I understand "interest" to include any consideration or other thing of material economic value, including future consideration.  This is to also certify that I fully understand the confidential nature of the competitive procurement process and the obligation imposed by Oregon law upon Oregon Tech to ensure a competitive process that not only operates in fair and equitable manner, but that appears to be fair as well. I agree, therefore, to maintain the confidences necessary to prevent unfair advantages to any bidder or contractor engaged in a competition for Oregon Tech contract or funds and to further abide by all rules and prohibitions issued by Oregon Tech as they relate to conflict of interest and confidentiality. I understand that threshold prohibitions include the discussion, evaluation, scoring, or status of any proposal(s), action(s) affecting any proposal(s), as well as the copying and/or dissemination of any portion of any proposal, or of any information designated by Oregon Tech as confidential to any person, firm, corporation, or other business entity, at any time prior to, during or after the procurement process. I also understand that I may be disqualified from individual or group participation as an Oregon Tech advisor if I conduct myself in any manner that would create even the appearance of bias or unfair advantage with, or	Evaluator's Name:
